Dear Sirs:

Please file this to object to the Objection by the debtors, Circuit City Inc..

I do not and can not afford a lawyer in this matter, but urge you to protect my interests in these procedures, doc. 2881-filed 04/01/09.

Our case should be that we have all fulfilled our obligations to this company and the monies owed to us were supposed to be in safe keepings.

Respectfully,

Marcea Wolfe
